Vinee Ajmera helps leaders and organizations discover their inner brilliance and speak their truth. She is passionate about communication, authenticity and resilience, the key tenets of her philosophy which she brilliantly expounds through her talks and teachings.

She is an experienced keynote speaker and emcee. In 2017, she delivered her TEDx Talk "Have you started building your CAR yet?"

Vinee strategically engages her quirky yet authentic disposition to strike a chord with her audience and convey critical, real life experiences and examples for effectiveness of messaging. She delivers high energy and life-transforming talks that help people overcome self-limiting thoughts, doubts and fears to ultimately achieve their goals and take on any aspect of life. She is the kind of presenter who everyone wants to be friends with. Her ability to connect and inspire keeps her busy travelling, and she hopes to meet you soon.

Other than her love for exploring new places and embracing new cultures, Vinee is a fitness enthusiast. She participates in marathons and enjoys weight training and swimming.
