FOUNDER – PERSONAGE

An ICF certified Executive Coach, Vinee has been spotlighted on TEDx Talks and other coveted forums. She is the self-coaching and personal excellence expert, with her show, on Tata Sky Specials TV. She is the producer and host of Rise Careerwise Online Summit focused on bringing latest hiring practices and trends to job aspirants.

While her expertise lies in communications and leadership, with over two decades of corporate experience (Jet Airways, Singapore Airlines, Virgin Atlantic, Essar), she has taken to this entrepreneurial career, based on her practical insights into the skill development needs of corporates and professionals.

Vinee understands that being successful takes a lot more than a perfect plan. You also need the skills, vision and confidence to implement it. Therefore, her interventions have an empowering approach that helps clients recognize their own inner brilliance to develop confidence and self-belief.
